Michigan Broadband Services Supports Delta County

Escanaba, Michigan, 1BDecember 22, 2016–

Michigan Broadband Services has donated \$2,500.00 to the Delta Animal Shelter to support its effort to care for pets in need throughout Delta County and surrounding communities.

“Michigan Broadband Services understands the critical mission underway at the Delta Animal Shelter and we’re very pleased to support the efforts of Sue Gartland and her team” said Bruce Moore President and General Manager of Michigan Broadband Services.

Michigan Broadband Services, based in Carney MI, is a full-service telecommunications company offering business class telecommunications services throughout Delta County and the Upper Peninsula including high capacity broadband and telephone services.
