Michigan Broadband Services Supports Delta County

Escanaba, Michigan, 1BDecember 22, 2016–

Michigan Broadband Services has donated \$2,500.00 to the Delta County Economic Development Alliance to support its effort to promote economic development in Delta County through the attraction, retention, and expansion of business and industry.

“Michigan Broadband Services understands the critical mission underway at the Delta County EDA and we’re very pleased to support the efforts of Vicki Schwab and her team” said Bruce Moore President and General Manager of Michigan Broadband Services.

“This past year in Delta County has been filled with enthusiasm, progress and growth. The focus and collaborative nature of our waterfront community helped the EDA take great strides toward reaching and exceeding our organizational goals. Thank you, Michigan Broadband Services.

“This generous contribution goes a long way toward supporting our mission, to provide leadership to strengthen, support, and attract businesses, developing a prosperous community.” Vicki Schwab, Executive Director.

Michigan Broadband Services, with offices in Escanaba and Carney MI, is a full-service telecommunications company that offers business class telecommunications services throughout Delta County and the Upper Peninsula including high capacity broadband connections.
