

Michigan Broadband Services is named Business Partner of the Year

Michigan Broadband Services was recently named the Business Partner of the Year at the 2018 Delta County Chamber Annual Dinner. The award was given for Michigan Broadband Services' expansion of its high-speed internet service to Delta County.

"Providing a strong internet connection to the fairgrounds is just one example of our commitment to deliver technology to Delta County and the other communities we serve," said Bruce Moore, General Manager of Michigan Broadband Services. "As high-speed internet is a crucial component of economic development, we will continue to expand our network and its capabilities."

In addition to receiving the award during the dinner, Moore also announced five \$1,000 gifts to area non-profit organizations. Recipients consisted of Big Brothers Big Sisters, the Northern Lights YMCA, St. Vincent de Paul, Tri-County Safe Harbor, and the Delta County Chamber of Commerce.
